## Discuss Inclusion of Town School in Large Division

The meeting in the Lions hall last Thursday evening to discuss the subject of including the Didsbury school in the Olds School Division was not very well attended by town people, but after having the question voted on by Mr. H. E. Balfour of the Department of Education, those present were made acquainted with the main facts.

George Law was chairman of the meeting and introduced Mr. Balfour, who explained that an agreement had been signed by the Didsbury School Board and the Board of the Olds School Division whereby the town school would be included in the large unit. If the Department of Education was not presented with a petition, signed by at least 25 per cent of the ratepayers, before April 19, the Minister of Education would be at liberty to declare the agreement in effect.

Mr. Balfour stated that once the Minister of Education assented to the agreement there was no backing out by either town school or Division, and the inclusion was permanent.

The agreement was read at the meeting and briefly stated provides for the inclusion of the town school in the Olds School Division. The tax rate for town property would be the same as the Olds School Division rate on municipal property, which this year will be 20¢ mills, plus \$100 per year paid by the town of Didsbury for a three-year contract. After that period the terms of contract may be changed.

If assented to by the Minister of Education the inclusion will probably take effect June 1, 1948.

Should the town schools be included in the Olds School Division the town of Didsbury would have one representative on the Board of the enlarged unit.

## MT. VIEW LIVESTOCK ASSN. PAYS 10 CENT HOG BONUS

The annual meeting of the Mountain View Co-operative Livestock Shipping Association was held at Olds on Friday, April 9, and a fair turn-out of members were on hand to hear the year's reports.

The financial statement was reviewed and showed a turn-over in 1947 of over \$1,000,000.

All directors were re-elected.

Mr. Miller of the Olds School of Agriculture was unable to address the meeting due to illness, and Mr. Hugh McPhail substituted for him, and brought greetings from the department. He stressed the need of loyalty of members to the association and pointed out the benefits to be derived if all co-operated.

A ten-cent per hog dividend was declared on all hogs shipped by the Mt. View Association last year.

## FORTY YEARS AGO

April 17, 1908

The class for beginners at the Didsbury public school will start the first Monday in May.

J. E. H. Phillips and W. J. Jackson started out last week on a prospecting tour which will take them through the Yellowhead Pass to Prince Rupert.

Mr. Charles T. H. Dickau and Miss Anna Schmidt were married on April 8, 1908.

On April 6, a meeting was held at Bergen, north west of Didsbury, and a school district was formed.

The green grass is making its appearance, and some farmers have commenced plowing.

## C.P.R. TRAIN TIME TABLE

Train No.	To Calgary
522	11:52 a.m.
524	11:54 a.m.
526	11:56 a.m.
Train No.	To Edmonton
521	1:10 a.m.
523	11:01 a.m.
525	6:19 p.m.

All the above trains are daily.

## TOWN TRAFFIC LAWS WILL BE ENFORCED

Mr. W. B. Dobbins, former R.C.M.P. officer, who has been appointed Town Constable, has been authorized to enforce the traffic laws of the Town of Didsbury, and elsewhere in this issue appears a warning notice to all drivers of cars and trucks.

This notice sets forth the rules and regulations which drivers of vehicles must follow if they wish to avoid prosecution and these regulations mainly deal with proper parking of cars and trucks.

Speeding will also be checked, as well as offenders who fail to stop at all "Stop" signs.

It is to be hoped that the citizens of both town and district will co-operate with our town constable in enforcing traffic regulations. Mr. Dobbins does not wish to summons drivers for traffic violations, but if he cannot get the co-operation of drivers, he will have no other alternative.

## EXPENDITURE ESTIMATES AND MILL RATES SET BY MOUNTAIN VIEW COUNCIL

At the meeting of the Council of the Municipal District of Mountain View last Monday the secretary estimated that expenditures for the year 1948 would be \$567,890.00. This sum includes estimated discounts on taxes of \$40,000.

A breakdown of the estimates shows that \$15,510 will be needed for administration; \$7,100 for protection of persons and property; \$181,498 for public works; \$12,000 for public welfare; \$5,891 for conservation of health; \$35,891 for hospitals; \$224,596 for education and \$45,000 for capital expenditure.

To raise this estimated \$567,890 will require the following mill rates, with the 1947 mill rate shown for comparison:

Taxes	1948	1947
Municipal	20	17
Olds S.D.	20½	17½
Red Deer S.D.	19	20½
Wheatland S.D.	20	16
Calgary S.D.	17	16
Village of Carstairs	22½	22
Town of Didsbury	23½	20
Town of Olds	25½	24
Olds Hosp.	4	4
Didsbury Hosp.	5½	4½

In pointing out the increase in the 1948 tax rates payers are asked to take into consideration the excessive cost of snow plowing this year. Municipal authorities estimate that it will cost between \$11,000 and \$12,000 for snow plowing in the Municipality.

The demand for gravel roads has also been a factor in extra expenditures being provided for public works.

Increased educational costs are the cause of the increased rate in school taxation.

## RED CROSS COLLECTIONS PASS THE \$1500 MARK

Mr. W. A. Austin, chairman of the local campaign collection committee of the Didsbury branch of the Canadian Red Cross Society, reported Monday that donations had passed the \$1500 mark, but that many country canvassers had not yet reported collections.

It is regrettable that country roads have been almost impassable the past few weeks and canvassers have not been able to make their rounds, but owing to the fact that the campaign must be completed by the end of this week, all canvassers are asked to contact as many neighbors as possible and bring or send in their receipt books and collections to Mr. Austin not later than Saturday.

The Red Cross is doing excellent peace-time work in providing blood plasma, outpost hospitals, care for destitute persons, and many other services, and donations to help carry on this work are urgently needed.

## DIDSBURY CURLERS TO BUILD NEW RINK

The annual banquet of the Didsbury Curling Club was held in the Lion's hall on Friday evening April 9, and a large crowd enjoyed the delicious repast prepared by the lady members of the Club.

After the banquet a short meeting was held and the financial statement was reviewed, showing that the men curlers had a bank balance of \$1300, while the lady curlers has about \$1500 on hand.

The question of building a new curling rink was discussed and it was the opinion of most curlers that a new curling rink be built this year. A building committee is to be set up and they have been given instructions not to spend more than the amount of money in the building fund. This will be appointed when the executives of the men's and ladies' curling clubs meet in the near future, and the committee will consist of an equal number of men and lady curlers.

The proposed new curling rink will be built on the north side of the new arena and will be of cement block construction.

Provision is being made for four sheets of curling ice, and a modern warming room will be a feature in the new building.

The weather is anything but springlike and winter is still with us, despite occasional thawing days. A real blizzard swept the district for about an hour Sunday afternoon and about four inches of snow fell. Roads were again partially blocked and snow plows are still on the job clearing out the drifts.

## WESTCOTT NEWS NOTES

Mrs. F. L'Hirondelle, the former Miss Paskwetyak, whose marriage took place in Edmonton during the Easter holidays, was the guest of honor at a very lovely miscellaneous shower at the home of Mrs. Otto Folkman on Saturday afternoon last. The large gathering of ladies spent the afternoon at tea, and the bride and her maid of honor, Mrs. Allan Koenig, Mrs. L'Hirondelle was then seated at the table and the opening of the presents took place. The gifts were from a beauitiful surprise box.

Miss Dolores Holmqvist assisted the guest of honor at this delightful task and when completed Mrs. L'Hirondelle fittingly thanked all for the gifts.

The afternoon's activities were brought to a close when the hostess served a delicious lunch, assisted by Mrs. H. Daigeford and Mrs. John Jacobson.

Mrs. Wm. Baudiste returned on Friday last from her holiday spent at the coast.

Congratulations to Mr. and Mrs. Wallace Hughes. They are the proud parents of a son.

Mrs. Herbert Goettgen and daughter, Deloyce, spent Monday in Calgary.

The public and high schools of Olds, Didsbury and Carstairs will hold a musical festival in Didsbury on Friday, April 23rd, commencing at 9 a.m.

The elocution and elementary music numbers will be held in the school, and the intermediate and high school music in the United Church.

A-Juniors will select the best numbers on the day's program and those will be given at an evening performance to be held in the Evangelical Church at 8 p.m.

FLAXSEED FLOOR  
PRICES SET

There has been an improvement in the world supply of oil-bearing seeds and a much larger acreage of flaxseed than was sown last year will meet domestic requirements. The Canadian Wheat Board will support prices of 84 per

bushel for top grades of flaxseed in the 1948-49 crop year, beginning August 1, should the market price drop to that level. The Wartime Prices and Trade Board ceiling price of \$5 per bushel will be removed on the same date, thus permitting buyer and seller to trade freely at prices above the support level.

## A LATE SPRING

Even though spring is officially here, winter has been reluctant to leave this year and old timers claim the season is one of the latest on record. Up until February Southern Alberta had an exceptionally mild winter with very little snow and almost continuous chinook winds. Then early in February three storms in a row blocked roads and real winter weather prevailed.

In the second week in April winter is still with us, although signs of a break are in evidence this week. The extended winter and consequent late spring has caused a heavy drain on feed supplies and had it not been for the abundance of feed grown in this mixed farming area last year, as well as in years gone by, local farmers would now be experiencing heavy cattle losses, which is the case in many Eastern Alberta points at the present time. True, some farmers are short of feed, and it seems to be scarce, yet car loads of baled hay and straw have been shipped out of the district the past few weeks.

While it is only fair that we share our surpluses with others it does not seem right that hay and straw should be shipped out of Didsbury if the feed shortage is as acute as some farmers claim.

The late spring is causing farmers some concern about getting their crop seeded in time to harvest it before frost appears in the fall. However, in previous years a late spring has usually resulted in a bounteous crop and it is to be hoped this year will be no exception.

## BORN TO BE SPINSTERS

The debit balance is now at least 75,000 against women in the marriageable age group. In other words, 75,000 marriageable Canadian girls are unlikely to obtain husbands even if they want to.

They can do little to help themselves. They can marry older men or younger men (in a strongly competitive market). Girls from eastern Canada can go west where the percentage of males to females has always been two to eight percent higher than the average for Canada, or north where the odds are even better.

They can choose foreign husbands, either by emigrating or by marrying an immigrant. Those are the remedies for your changed situation, girls and women between the ages of 21 and 35—unless you begin an immediate successful campaign for pugilism.—Peterborough Examiner.

## NEW TYPE LIFE BOAT

A new ship's lifeboat of unorthodox design is nearing completion in an East England boatyard. Instead of the standard hull construction, the keel of the boat is hollow and almost identical, in reverse with the above water portion so that whichever way the boat lands in the water, she is ready for use. The hull is fitted with non-

return valves below the water line designed to ensure speedy emptying of any water shipped. Two 30 h.p. diesel engines are fitted which are capable of propelling the lifeboat for a considerable distance. After trials, which it is anticipated will take place in the very near future, the lifeboat will be launched from a ship in mid-Atlantic and proceed under her own power for 1,500 miles to New York.

## WHY PLANT WEEDS?

## (Experimental Farms News)

Does it make sense to plan rotations or summer-fallow on valuable land to clean out weeds and then contaminate the fields again by sowing dirty seed? Many do just that. Apparently they deliberately plant weeds.

Of course no one is so thoughtless as to do such a thing without a reason. Everyone would like to have clean seed to sow. What then is the reason? It simply is that it is troublesome and creates a large expense to have clean seed so many do not bother. Perhaps it is because they think the problem is greater than it really is, says A. E. Palmer, Superintendent, Dominion Experimental Station, Lethbridge, Alta.

A consideration of methods for obtaining clean seed may clarify the situation. The surest way is to grow a crop free of weeds. Farmers do this by selecting land that is reasonably clean and then by rotation or fallowing and by well planned tillage prepare it for use as a field for seed production. Sufficient registered seed or certified seed is purchased for this block unless the grower has satisfactory seed. The few weeds that appear are roughed out and the field is threshed with a well cleaned thresher.

Where the seed block method has not been used, it may be possible to select clean areas in the main fields which can be harvested separately. There are a few farms especially where large acreages are grown, where this cannot be done. In these areas clean seed has not been provided, the problem is to clean the seed. Even where weeds are not present, it usually is necessary to take out the straw and chaff before seedling.

A common practice in many grain growing areas is to have the seed cleaned in the local grain elevator. This is a simple expedient but dangerous as most elevators are equipped only for cleaning grain for commercial purposes. The machines, bins and spouts cannot be properly cleaned between lots of grain so it is quite probable that a farmer, having his grain cleaned at an elevator, may have seed and grain varieties from lots preceding his, mixed with what he thinks of as his clean seed. He may take home bad weeds that he did not have before on his farm. Almost always, it is better not to clean seed at all than to put it through an improvidently equipped public cleaner.

Licensed seed cleaning plants overcome this danger of contamination by having equipment that is easily cleaned and readily operated. Those who are careful to clean the plant between each lot of seed where a licensed, carefully operated cleaning plant is available, the problem of cleaning seed is simple and more such plants are needed.

Where a satisfactory custom cleaning plant is not available, form cleaners are desirable. Usually a farmer does not care to put in the expensive machinery necessary to take out all seed but if he has used care in producing clean seed as suggested, he can prepare the seed for planting with inexpensive equipment and most of the weeds may be removed even from dirty seed. At least much fewer weed seeds will be planted if the farm fanning mill is used and there is no danger of introducing weeds not already on the farm.

The wise practice then is to grow seed as clean as possible and prepare it for seeding by putting it through a licensed cleaning plant or a farm cleaner but never take a chance of contamination by having cleaning done in an improvidently equipped plant.

## NEW TECHNIQUE FOR SUBMARINE RESCUE WORK

ingenious new equipment for underwater rescue and salvage work has been fitted to a ship recently launched in Britain. It is also for divers and special pumping and compressor gear. The new equipment is a development of an underwater bolt-firing gun. By using explosive propellants in the gun, a rivet could be driven into steel plate which had not been drilled beforehand. It is now possible to substitute a bolt with a hollow centre for the rivet. This enables a tube to be driven through the armour plating of a submarine to which a compressed air pipe can be attached. Through this pipe air can be forced into the flooded compartment which will expel the water and so permit a sunken submarine to be refloated.

## MORE WHEAT NEEDED TO SATISFY DEMAND

Increase in population is important in calculating world food requirements. Despite the heavy toll of war, there has been a steady rise in population in practically all parts of the world. The net increase between July, 1938 and July, 1946 was 123 million, or 5.7 per cent. Asia, excluding the U.S.S.R., had the largest increase, but Africa and South America also recorded substantial increases in this period.

In the period between the two world wars, North and South America and Australia increased their wheat production by about 50 per cent. When related to population trends in the wheat-eating world as a whole, total production roughly kept pace with the increase in population.

It remains to be seen whether, with Europe's output reduced, world wheat production can continue to keep pace with population increases, particularly in view of the shift in consumption from other grains to wheat which is occurring in South America and also in parts of Asia.

## SOMETHING DIFFERENT

This chain letter is not like other chain letters you have been receiving. It costs you absolutely nothing. Simply copy this letter and mail it to one of your friends and then smile when your wife has sent her to the name appearing at the top of the list. When your turn comes around you will receive 16,708 wives. Do not break this chain, as one man did and got his own wife back.

## LOW PRICE

THIS  
25 LBS. MARVELUBE No. 11 GREASE  
WITH ALEMITE PRESSURE GUN

OR THIS  
25 LBS. MARVELUBE No. 11  
GREASE WITH ALEMITE  
PRESSURE GUN

This pressure gun is the possible  
one, which reaches to the top  
of the pail, in the ideal outfit for those  
who operate a lot of equipment. It is  
strongly constructed, yet is light  
enough to be easily handled. It  
works clean and keeps grease clean. Costs  
more than the hand-lever gun (above)  
but gives you high value for the money.

GREASE CUTS COST  
It's an old but very true saying  
that greasing as you work  
is better than greasing dust out  
when you're through. Good lubricants  
of the proper grade, applied  
properly, keep machinery operating  
longer and at the same time  
reduce draft. Both of  
which help to cut costs. With  
either of the above outfits, you  
can apply grease to implements well  
lubricated, whether indoors or  
out in the fields.

Marvelube No. 11  
IS THE IDEAL FARM LUBRICANT

Marvelube No. 11 is bright, clear, water resistant, soft enough for full protection. It's the ideal grease for farm machines.

## NOTICE TO CREDITORS AND CLAIMANTS

IN THE MATTER of the Estate of EDWARD BENTON PARKER, late of Didsbury, in the Province of Alberta, Retired Farmer, deceased.

NOTICE IS HEREBY GIVEN that all persons having claims upon the estate of the above named Edward Benton Parker, who died on the 28th of February, 1948, are required to file with the undersigned solicitor for the executors of his estate, by 31st day of May, 1948, a full statement, duly verified, of their claims and of any securities held by them, and that, after that date, the executors will distribute the assets of the deceased among the parties entitled thereto, having regard only to the claims of which notice has been so filed, or which have been brought to their knowledge.

DATED this 14th day of April, A.D. 1948.

W. A. AUSTIN, 15-3tp  
Didsbury, Alberta.  
Solicitor for the Executors.

## NOTICE TO CREDITORS AND CLAIMANTS

IN THE MATTER of the Estate of GEORGE THALER, late of Didsbury, in the Province of Alberta, Retired Farmer, deceased.

NOTICE IS HEREBY GIVEN that all persons having claims upon the estate of the above named George Thaler, who died on the 25th of November, 1947, are required to file with the undersigned solicitor for the executor of his estate, by the 31st day of May, 1948 a full statement, duly verified, of their claims and of any securities held by them, and that after that date, the executor will distribute the assets of the deceased among the parties entitled thereto, having regard only to the claims of which notice has so been filed, or which have been brought to his knowledge.

DATED this 14th day of April, 1948.

W. A. AUSTIN, 15-3tp  
Didsbury, Alberta.  
Solicitor for the Executor.

If a child annoys you, quiet him by brushing his hair, is the latest advice. If this doesn't work, use the other side of the brush and the other end of the child.

Men are peculiar animals, just as women have long suspected. For instance, a fellow who had not kissed his wife in five years, shot a fellow who did.

## FALLEN TIMBER ITEMS

The regular meeting of the Busy Bees was held at the home of Mrs. McMullen on Wednesday, April 7, with twelve members in attendance. Roll Call was answered by appropriate laughter, selections. It was found that sufficient money had been accumulated for the purchase of a piano for the school. Mrs. Hays offered to make inquiries as to prices of pianos available when she visited Calgary this week. A parcel was packed for a family in England and material was distributed to be made into articles for the forthcoming bazaar. The ten cent draw was won by Mrs. Whittle.

After the business meeting a delicious luncheon was served by Mrs. Teynor and Mrs. Hays.

Mr. and Mrs. J. Howton and Danny, Mr. and Mrs. R. Moore and Mr. and Mrs. Alex Moore attended the funeral of Mrs. Clyde Moore of High River, Saturday, April 10.

Mr. and Mrs. Wannamaker and family are moving into Bob McGuffin's home for the summer.

Anita Moneye came home from the hospital on Saturday. We hope you will soon be feeling well,

Mr. and Mrs. D. W. Cooper and family were Didsbury visitors on Saturday.

Mr. and Mrs. Ray Teynor and Marian visited at the home of Mr. and Mrs. J. McGaffin on Sunday.

A bad blizzard, which blew up last Sunday prevented Sunday school from holding for that day.

Mr. and Mrs. Elmer Hays announce the marriage of their eldest daughter, Frances, to Mr. Stanley Webb.

## NOTICE TO CREDITORS AND CLAIMANTS

In the estate of Fred Schneider late of Didsbury, Alberta. Farmer deceased.

Notice is hereby given that all persons having claims upon the estate of the above named Fred Schneider who died on the 22nd day of December A.D. 1947, are required to file with the undersigned by the 31st day of May, 1948, a full statement, duly verified, of their claims and of any securities held by them, and that after that date the executors will distribute the assets of the deceased among the parties entitled thereto, having regard only to the claims of which notice has been so filed, or which have been brought to their knowledge.

Dated this 9th day of April, 1948.

H. LYNCH-STAUTON  
Solicitor for the Executor  
Didsbury, Alberta.  
15-16-17-c

Building has begun near Birmingham on a new television station which will serve the central area of Britain. It will be twice as powerful as the present transmitter which is situated in London. Its range will be 50 miles and its programs will reach some 6,000,000 people.

## BERGEN NEWS NOTES

Mrs. Bill Mjolness has moved to Olds, and runs a cafe. Sandy Avery bought the Bergen store.

Rev. Habermehl is moving to Didsbury and Rev. Peter Dyck is stationed at Bergen. Rev. Dyck comes from Cremona.

Many horses and cattle are not able to survive the hard winter.

Mrs. Lyle has been home from the hospital for several days. She had an operation for gall stones.

Rommy Lyle, who is a timber ranger, came home for Easter.

Leslie Lyle drives a new truck. Leslie there is no ban on the roads. Jack Davidson has logged the trees from around the post office.

Mrs. Peterson from Calgary was a week-end visitor with Mrs. Lyman Ratcliff and returned home on Monday.

Walter Gamble spent his Easter in Chilliwack visiting his brother.

Mrs. Jesse McKenzie attended the teachers' convention in Calgary.

Eidsvold S.D. held a pie supper and raised \$80 for an educational trip to Calgary.

## FREIGHT RATE INCREASE

Canadian railways were granted a 21 per cent increase in most freight rates by a decision of the board of transport commissioners, handed down last Tuesday. Appeals can be made from the decision to the supreme court of Canada or to the federal cabinet.

There will be no increase in the rates on domestic grain traffic between Fort William-Port Arthur and the Pacific Coast. Export grain rates in the same area were undisturbed. They are fixed by federal act and can only be changed by parliament.

The increases are calculated to bring the railways an additional \$70 million a year, most of which will come from the people of the prairie provinces. They have to pay the freight on what they sell what they buy. There is no real competition to bring down rates.

Farmers will have to meet increased prices of farm implements, coal lumber, and all manufactured goods. They will get less for their livestock, poultry and dairy products which have to be exported overseas or to other provinces.

The railways asked for a 30 per cent increase. They said they had been given no increase in freight rates in the past 25 years and that labor material costs had risen substantially since 1939.—Wheat Pool Budget.

## NEW TELEVISION TRANSMITTER

Building has begun near Birmingham on a new television station which will serve the central area of Britain. It will be twice as powerful as the present transmitter which is situated in London. Its range will be 50 miles and its programs will reach some 6,000,000 people.

## DISTRICT NEWS:-

### BURNSIDE NEWS NOTES

The gophers are out so spring must be here. We hope so, anyway.

The flu seems to be going the rounds. Mrs. Joe Hunter and two children are the latest victims.

Mr. and Mrs. Alfie Thompson spent last week in Calgary. Mrs. T. Thompson of Calgary has been visiting in the district with them and returned to her home in the city.

The box social and program, with added picture show by Mr. Fisher, held at the Lone Pine hall last Friday night was a decided success.

Feed is scarce in the neighborhood and a number of farmers have been looking for cattle fodder. The late spring has caused many farmers to run short of feed.

### WESTERDALE NEWS NOTES

An enjoyable evening of what was to be the home of Mr. and Mrs. A. Jackson last Tuesday evening when eight tables were in play. High honors went to Mrs. G. Nelson of Olds and Bob Jackson, and congratulations to Mrs. R. Jackson and Mr. S. Jackson. Another party will be held at the home of Mr. and Mrs. W. Herbert on Monday of this week.

Marjorie Phillips of Olds spent a few days recently at the home of her parents, Mr. and Mrs. W. Herbert.

A fair crowd attended the novelty hall at the Westerdale hall on Friday, April 2.

Mrs. F. Jackson and Phyllis spent the Easter holiday week end in Edmonton visiting with Mr. and Mrs. Ted Peters.

Mr. and Mrs. A. Grange and Mrs. Bert Pross, all of Didsbury, were visitors last Friday at the home of Mr. and Mrs. T. Bolton. Mr. and Mrs. Lester Pross, also of Didsbury, visited at the Bolton home Sunday.

Bowling was again enjoyed last Saturday evening by Mr. and Mrs. W. Herbert, Mr. and Mrs. J. Cowie, Mr. and Mrs. A. Buckley, Mr. and Mrs. R. Jackson and Mr. and Mrs. F. Jackson. After the bowling games all with the exception of Mr. and Mrs. W. Herbert enjoyed a delicious supper at the Buckley home.

Mr. J. Cowie travelled to Calgary by train last Sunday, having had an appointment with the dentist on Monday.

The Young Peoples' Club is holding a meeting in the hall on Thursday evening of this week.

### ENGAGEMENT ANNOUNCED

Mr. and Mrs. J. Topley announce the engagement of their daughter, Grace Iola, to Mr. Norman K. McLeod, son of Mr. and Mrs. J. P. McLeod of Vancouver, the wedding to take place June 3, at Vancouver.

### MOUNTAIN VIEW NOTES

Complimenting Mrs. L. Hunter (nee Jeanette Worrall) Mrs. E. McNeil and Mrs. J. Bruce entertained approximately 30 guests at a miscellaneous shower at the Worrall home on Friday afternoon. Green and white streamers decorated the "bride's chair" and a doll's house containing many useful and lovely gifts was presented to the guest of honor. During the afternoon three suitable shower games were played with winners being Mrs. H. Shultz, Mrs. O. Bittner and Mrs. A. Gebers. A bit of fun resulted in gales of laughter when chosen models paraded in articles of clothing from the "bride's trousseau."

With help from some of the neighbors the hostesses served a delicious and bountiful lunch after which the bride and her bride happiness and departed.

We hear Duane Gebers is a patient in the Didsbury hospital after having an appendectomy. Hurry and get well, Duane.

Mr. and Mrs. L. Hunter and Mrs. Jas. Worrall were Sunday visitors at the S. Elliott home.

A few cars were detained in the district for a short while Sunday afternoon due to the blizzard.

Mr. and Mrs. H. Shultz had as week end visitors the latter's sister and her husband, Mr. and Mrs. J. Mrs. Shultz.

Sunday Mr. and Mrs. Stuart Hall of Cartairs visited the H. Shultz home and Mrs. Hall stayed on for a few days to visit with her sister, Mrs. Shultz.

Mr. and Mrs. A. Thompson had as their guests Sunday, Mr. Frank Thompson and Harlow Fuller of Calgary.

Don't forget the Mountain View W.I. meeting on Thursday at the home of Mrs. D. Pratt. Hope the road and weather are good so as to have a good meeting.

Mr. and Mrs. E. McNeil were dinner guests Saturday night at the home of Mr. and Mrs. Bob McCulloch.

Mr. and Mrs. B. Elliott received a wedding present recently in the form of some land in the Nanton district.

Mr. and Mrs. J. Kohut and Mr. and Mrs. B. Elliott were Calgary visitors Wednesday.

Mrs. James Worrall is at present confined to her bed by the doctor's orders. We sincerely hope she will be up and well soon.

WALTER LEAGUE MEETS IN LUTHERAN CHURCH

Thirty-five Walter Leaguers met in the basement of the Redeemer Lutheran Church for their regular meeting last Tuesday, April 6. Rev. Fox continued the discussion on the Second Commandment, with the Leaguers present joining in the general discussion and contributing many interesting and worth-while expressions.

Since little business had to be transacted, the group enjoyed the balance of the evening playing games. Competitions are now being played to ascertain the leaders in table tennis, shuffleboard, checkers, mouse trap, nine men's morris, crokinole. The evening was brought to a close with luncheon served by the Dan Reinhardt Leaguers.

The next meeting is scheduled for Tuesday, April 20, beginning at 8 p.m.

**LOCAL NEWS**

Mr. and Mrs. Orville McMann  
spent Sunday with Orville's folks  
at Olds.

Mrs. E. Wiggins spent Tuesday  
in Calgary.

Frank Heselton, who has been a  
patient in the Didsbury hospital for  
the past couple of weeks, is able to  
be around again.

Irvin Klein reported Friday that  
a flock of Canada geese were seen  
feeding on the Meyer farm just  
south of the highway.

Fred S. Millar, former operator  
of the Didsbury Bakery, has been  
appointed agent for the Commercial  
Life Assurance Co. and will be  
working out of Calgary.

A meeting of the Sports Club  
will be held at the home of Mrs.  
Marge Grange on Thursday, April  
15th, at 8.30 p.m. All members and  
others interested are asked to attend.

Miss Lily Morash and George  
Morash motored to Red Deer Sun-  
day and spent the day with Mr. and  
Mrs. T.J. Hunter. On their way up  
to Red Deer they saw a flock of  
blue birds.

Texaco Garage will be open for  
service Sunday, Wednesday afternoon,  
and each evening until 9 p.m.  
during the week of April 18.

"Bunny" Hunter returned home  
from the Red Deer hospital last  
week after undergoing an appendicitis  
operation.

Super-Cushion Tires are here  
now. We have four in stock for 15-  
inch wheels. Other sizes coming  
soon. A new kind of a tire for a new  
kind of a ride—Nichols' Garage.

Mrs. W.F. Russell of Kennesaw,  
Maine, who has been visiting with  
her brother, Mr. E. M. Miller and  
family in the Falls. The brother  
died for the last few weeks, left last  
week to visit with her sister, Mrs.  
E. Lorentzen, at Red Deer where  
she will remain until the first of  
May before returning to her home  
in the East.

Cassidy house for sale. Will be  
shown you by Reber or Cassidy.

In our last issue we mentioned a  
farewell party for the "Torpe" fam-  
ily. We have been informed that the  
name should have been "Torpe."

Don't forget the telephone whist  
and bridge on Friday evening,  
April 16. Proceeds in aid of the  
Memorial Community Centre.

The regular service will be held at  
St. Cyprian's Church on Sunday,  
April 16, at 11 a.m.

St. Cyprian's W.A. hope to have  
more Daffodils for sale on Saturday,  
April 17, at Glockzin's Store.

Joe McDonald, who suffered a  
stroke early in the year, is around  
again and expects to re-open his  
barber shop on Thursday, April 15.

Miss Joyce Topley and Miss P.  
Weatherup, nurses in training at  
Lethbridge, spent the week end in  
town with Mr. and Mrs. J. Topley.

Mr. and Mrs. Goodwin (nee Dora  
Fawcett) of Aldersyde, visited in  
Didsbury last Thursday on their  
way home from Edmonton.

Mr. and Mrs. Dave Edwards and  
Bill were Calgary visitors last Sat-  
urday.

Hydraulic "Farm Giant" Sweep-  
Stacker-Loader at your John Deere  
agent, Gordon E. Sparks.

Born to Capt. and Mrs. A. W.  
Bruso (nee Mary McNair) at Ottawa  
on Saturday, April 10, a son.

The Misses Joyce and Gwyneth  
Morgan were Calgary visitors last  
Friday and attended the wedding  
of Clara Lienweber and John  
Gomer.

Hockey games are still being  
played at the local arena and the  
latest teams to tangle were the  
Didsbury Lions and the Didsbury  
Legion. The game was played on  
Tuesday evening and resulted in a  
win for the Lions by a score  
of 7-2. There was a number of business  
men and farmers slouching around  
as though they were stricken with  
arthritis, but the remedy is a bottle  
of liniment—or something.
